

These contractors (listed alphabetically) have demonstrated their interest in helping businesses complete energy-efficient projects and apply for funding from utility rebate programs and the Boulder County Partners for a Clean Environment (PACE) incentives program. Each contractor has completed at least one project under the PACE program in the last year. The total number of rebate-eligible projects the contractor has completed through PACE is shown below in the table.

Businesses may work with any vendor or contractor and are not limited to those on this list. Boulder County makes no representations or warranties regarding accuracy of information, quality of service, or proof of insurance for any contractor on this list.

For additions or corrections, please contact the PACE hotline at 303.441.1300.
